Partners participating in the 2024 CEO Meeting are required to sponsor ACCESSE24. The ACCESSE24 Partnership level must be selected prior to the 2024 CEO Meeting.

Partner Registrations

Registrants from partnering organizations may participate in education and social events, but not in CEO-only or member-only events or sessions, which will be designated on signage. Partner registrations are non-transferable to other organizations.

Partners may bring up to an additional six (6) representatives to attend their sponsored event. These individuals need to be identified and shared with CESSE staff in advance, for planning purposes. These individuals are not registered attendees and will not attend other events during the conference including educational, networking, and social activities.

Partner Opportunity-Sharing

Multiple partners who agree to host an event together is permitted. However, each partner is responsible to contribute the minimum partnership level to receive the partnership benefit.

In-Kind Partnerships

Partners may be asked to provide a proposal of events and services being contributed to ensure the financial minimum is met, and the partner will be billed for the difference of actual cost and the minimum level indicated within the prospectus if needed.

Partner Logos

Partners should email their logo to anavin@cesse.org specifications: JPG, PNG, or TIF, minimum 300dpi, or BMP 600 dpi). PLEASE NOTE: 2024 CEO logos are due by December 1. ACCESSE24 logos are due by May 3.

Podium Time & Entertainment

Meal Partners (breakfast, lunch, dinner only) are invited to make brief remarks during their sponsored event, which may include media

presentations. Podium time is limited to 2-3 minutes or less. Partners who exceed podium time are subject to review for future partnership with CESSE. For CEO Meeting breaks, sponsored entertainment should be limited to normal speaking tones to allow for uninterrupted conversations. CESSE staff reserves the right to screen all presentations, visuals, and handouts in advance of the event for suitability.

Partners using the common meal room will have access to a projector and screen. Any other AV needs required by the partner will be directed to CESSE's AV company and the partner will be responsible for any additional fees or logistics to accommodate their additional AV request.

Event Limitations and Requirements

Only one sponsored hospitality event is permitted at any one time. Evening events will conclude by midnight. The partner of an event that is not within walking distance (two or three blocks) from the headquarters hotel must provide transportation or obtain a partner for it at their own expense.

Use of CESSE Logo

Partners will not be permitted to use the CESSE logo on advertising materials or in presentations.

The CESSE brand is separate and unique from the product and services of the CESSE partners, and partnership support does not imply an endorsement.

Partners choosing to cancel a partnership commitment on or before deadline specified on contract, will be refunded 25% of the value of the selected partnership(s). No refunds are available after the deadline dates.

All payments are due 30 days from invoice date. Invoices will be sent post contract signing.
